

Cash for College Workshop

California offers **TWO WAYS** to help you and your family pay for school:

Cal GRANT **The Cal Grant Program** - Guarantees financial aid based on need to every qualified student who applies.

Middle Class Scholarship - Significantly reduces fees at the California State University and University of California for families who qualify.

In order to qualify, students must fill out the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application by **March 2, 2018**.

The California Student Aid Commission is offering free workshops to help students complete their application.
