NGO Criteria

- Any NGO that receives YRG Grant funds (as either a subgrantee or subcontractor) must:
 - Have been duly organized, in existence, and in good standing for at least six months prior to the effective date of its fiscal agreement with the YRG grantee. Non-governmental entities that have recently reorganized or have merged with other qualified non-governmental entities that were in existence prior to the sixmonth date are also eligible, provided all necessary agreements have been executed and filed with the California Secretary of State prior to the start date of the grantee and subcontractor fiscal agreement.
 - Be registered with the California Secretary of State's Office, if applicable;
 - Have a valid business license, Employer Identification Number (EIN), and/or Taxpayer ID (if sole proprietorship);
 - Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable; and
 - Have a physical address (an exception can be made for an Indian Tribe)
- Not required to be non-profit (tax exempt status per Section 501(c)(3) of the Internal Revenue Code).

- Read the RFP thoroughly
- Ensure your program and fiscal staff are in agreement about the proposal content prior to applying
 - If possible, evaluator should also be involved
- If using a 3rd party grant writer, work collaboratively

- Assume the rater knows nothing about the problem
- Follow RFP instructions
 - Each section should be titled according to its section header (e.g., Program Need, Program Description, etc.). Within each section, address the bulleted items in a cohesive, comprehensive narrative format

 Narrative content is proportionate to the weight of the section

	Rating Factors	Percent of Total Value
1	Program Need	35%
2	Program Description	50%
3	Data Collection	5%
4	Program Budget	10%
	Total	100%

- SMART goals and objectives
 - Specific, Measurable, Attainable, Relevant and Time-bound.
- Data driven-approach
 - Make the connection for the reader
 - How selected, why selected, why will the approach will work
- Develop a realistic budget
 - Double check the math
 - Will you be able to spend if awarded?

- Have someone else read the proposal
 - Can they tell you the goal, who will be served, how much it will cost?
- Label attachments clearly
- Final vs. Draft
 - Save "draft" proposal and attachments in a different location than the "final" proposal
